

Mustafa Bekirov

iOS Developer

Accomplished iOS developer with 2 years of experience creating innovative mobile applications. Proficient in Swift & SwiftUI, adept at designing, developing, and maintaining robust iOS solutions. Skilled at working with cross-functional teams to deliver high-quality products on time.

Experience

DEMAX Digital • iOS Developer

Full-time

Jul 2022 – Present

Experienced in developing fully functional applications using either **UIKit** or **SwiftUI** frameworks. Proficient in integrating push notifications and managing databases with **Firebase** and **Realm** to enhance user experiences. Capable of providing accurate time **estimates** for project completion and creating comprehensive **technical tasks** for development.

Massons Traffic • iOS Engineer

Contract

Jan 2022 – Jun 2022 Fixed-term employment contract

As a developer at a **media buying company**, I developed a custom iOS **WebView** application from concept to successful publication on the App Store. I guided the project through every stage of development, ensuring seamless execution and adherence to platform standards. I also oversaw moderation processes to guarantee compliance, resulting in the delivery of a flawless and compliant end product.

SKILLS

Tools

Swift • UIKit • SwiftUI • Xcode • SwiftPM
Firebase • CoreData • SwiftData • Realm
REST API • Alamofire • JSON • Figma
Git • GitHub • GitLab • Bitbucket • Trello

Operating System

Unix • MacOS • iOS • iPadOS • watchOS

Computer science

OOP • Multithreading • Bash • TDD
SQL • MVP • MVC • MVVM • Clean Swift

Languages

English (B1) • Czech (B1)
Ukrainian (Native) • Russian (C2)

Portfolio

DriverPro: Plan, Study, Test!

Sep 2023 – Present

I developed an application to simplify the process of obtaining a driver's license. The app incorporates the latest technological advancements unveiled at **WWDC 2023** and utilizes **SwiftUI** for intuitive user interactions. **SwiftData** is used for efficient data storage, ensuring seamless performance, and is compatible with **iOS 17**. Available for download on the **App Store**, this represents a pinnacle achievement in my portfolio.

Education

Stanford Online Course
